

LLT 500 MINI PALLET TRUCK

The LLT 500 mini pallet truck is designed for light to medium use. Its compact size and low weight allow it to be easily transported in vans as well as being very manoeuvrable thanks to the minimal turning radius.

Technical data

Capacity (Q):	500 kg
Turning radius (Wa):	700-800 mm
Width over forks (W):	380mm
Length of forks (L):	800mm
Raised fork height (H2):	170 mm
Lowered fork height (H1):	60 mm
Chassis height (H3):	370mm
Steer wheel diameter (A):	127mm
Load wheel diameter (B):	58mm
Approx weight:	35kg
